# We See D.C.

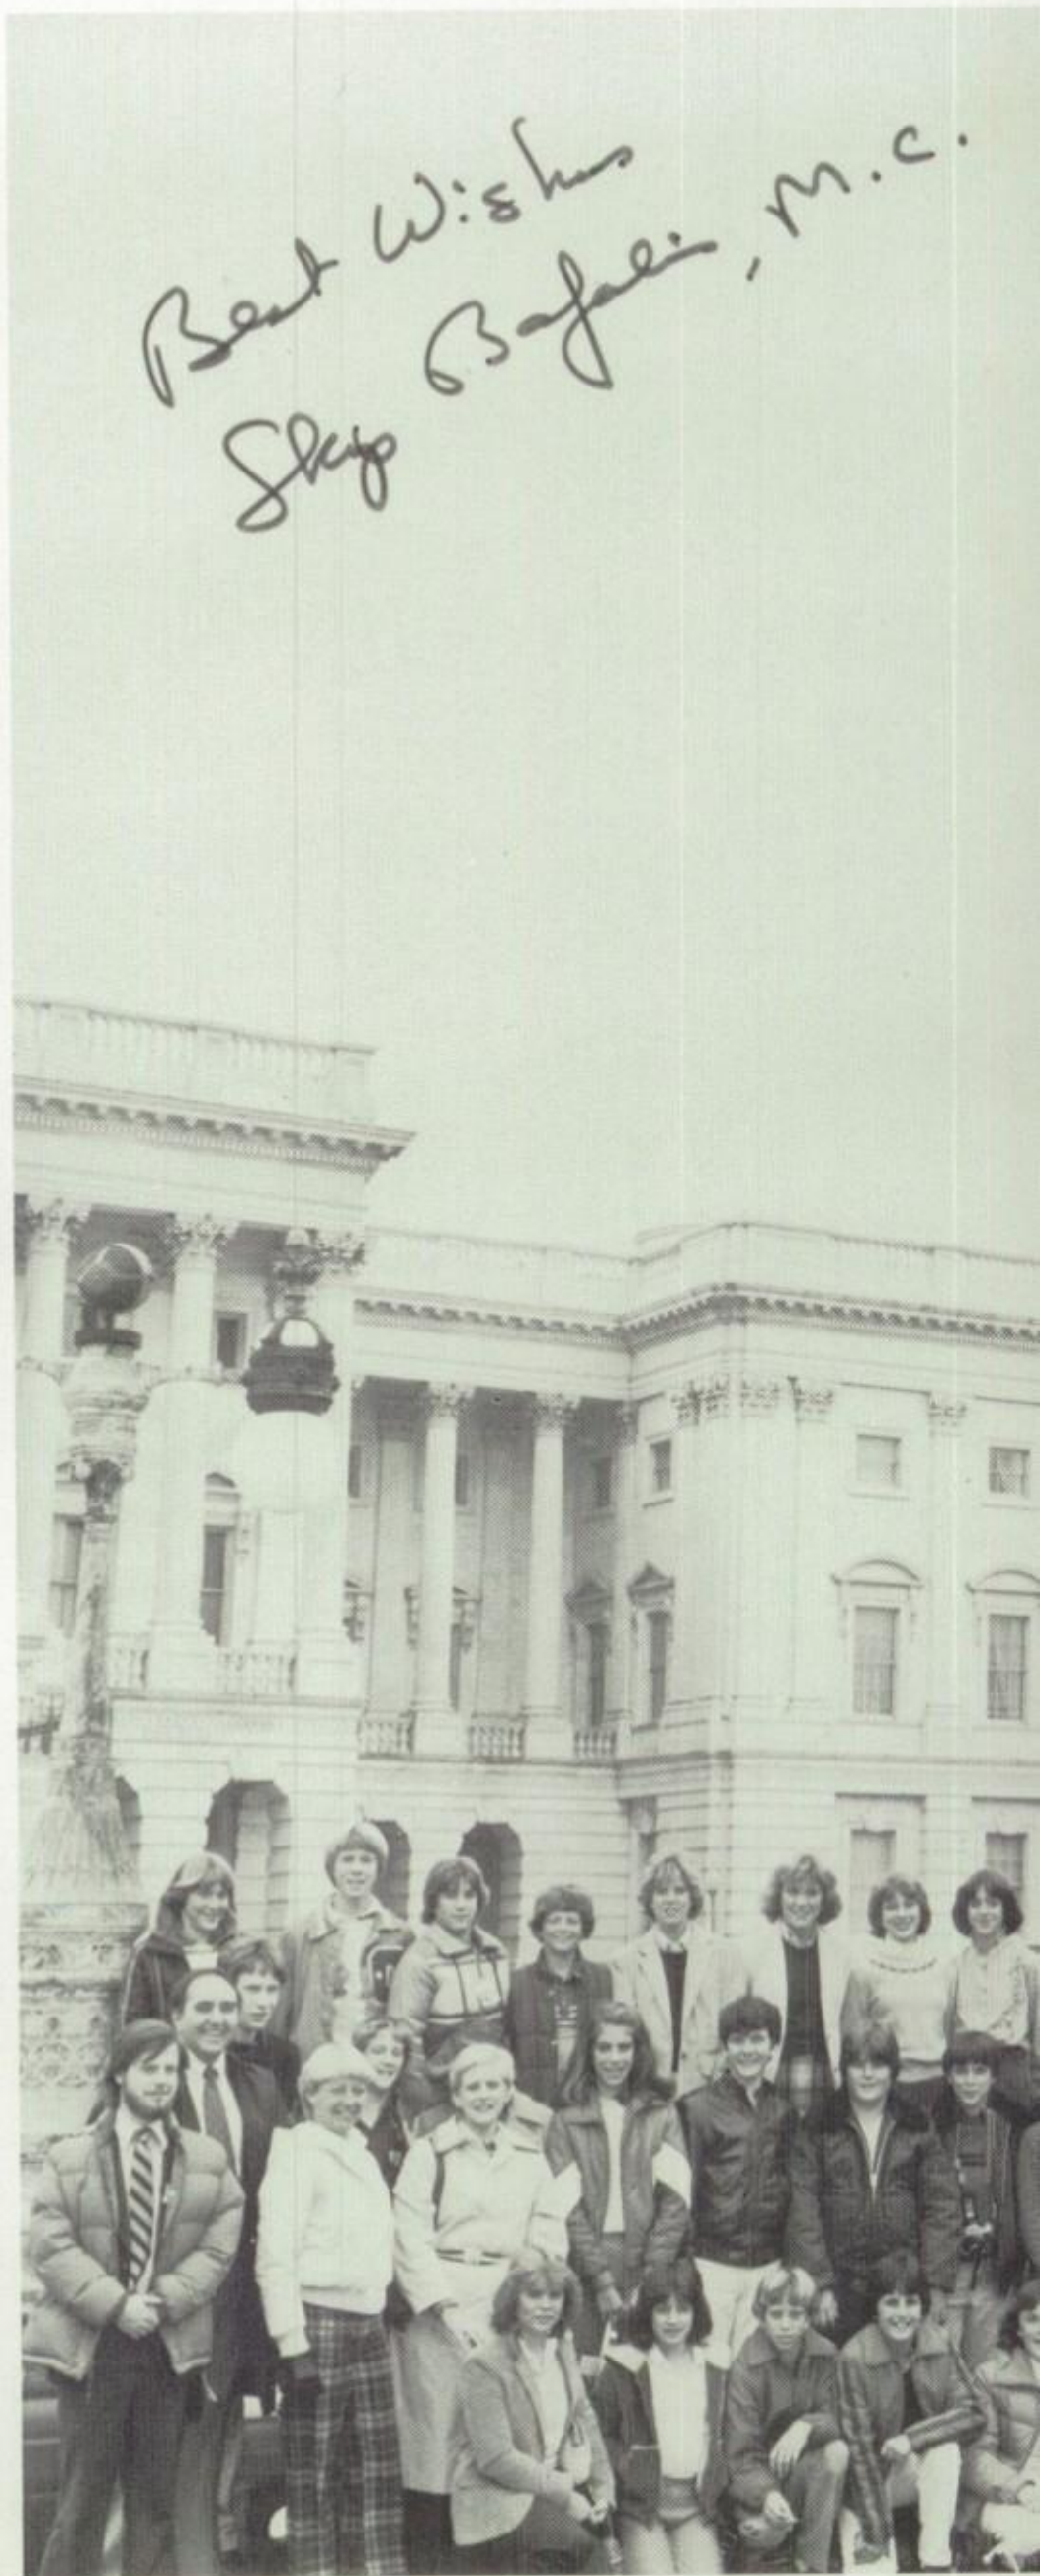

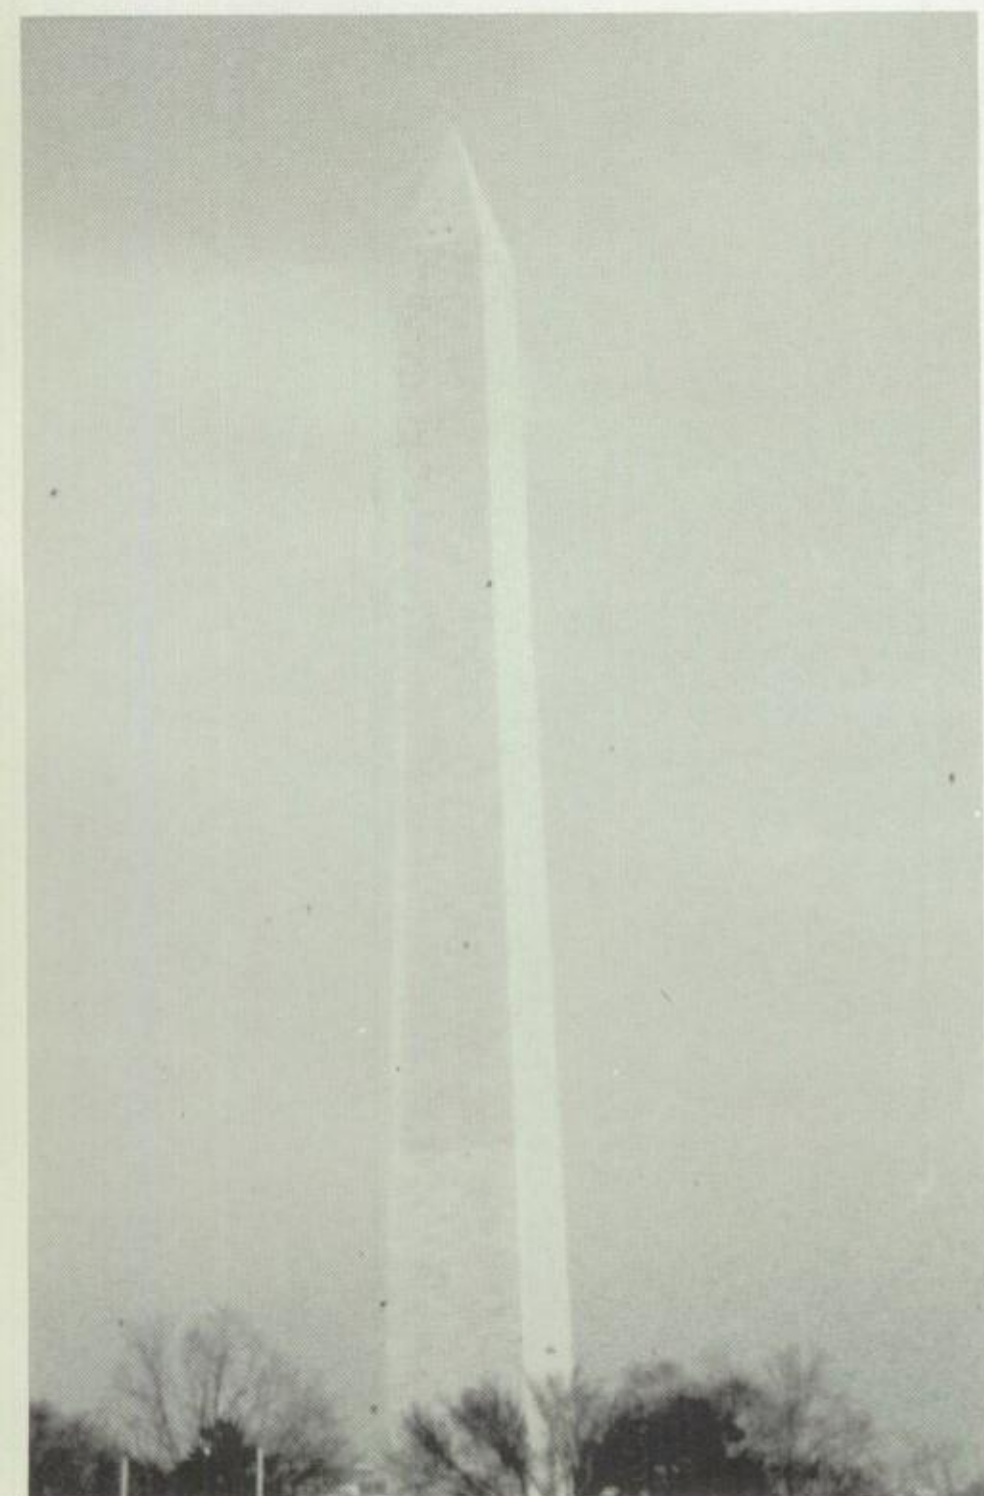

he sun was just spreading its golden rays across the eastern horizon as cars pulled up in front of the Canterbury School. Students bade good-bye to relatives and friends and boarded the chartered bus. As it pulled out of the parking lot, a low cheer rose. The seventh and eighth grade trip to Washington D.C. was officially underway.

Once in Washington, we went to the Bureau of Engraving and Printing, where we saw thousands of dollars of paper currency being made. Then we went to the National Cathedral whose graceful beauty was breathtaking. Later in the tour we visited the White House, home of every U.S. president since John Adams. At the Capitol we were surprised by U.S. Representative Skip Bafalis, who agreed to a picture-taking session.

Other sights included Fords Theatre, where Abraham Lincoln was assassinated, the Library of Congress, the Supreme Court, Mount Vernon and last, but definitely not least, the J. Edgar Hoover F.B.I. building.

The train ride back to Florida was cheerful and pleasant memories filled the air.

# "The Thrill of Victory — The Agony

anterbury's annual Field Day is the highlight of the school year. Each class selects a country and through displays, costumes, marching and singing, actually becomes natives of their country. The students compete in Olympic-style games and enjoy both the "thrill of victory and the agony of defeat."

The 1982 first place ribbon was shared by the fifth grade representing Japan and the sophomore class representing New Zealand. Second place went to the seventh grade, Ireland, and third place was awarded to the eighth grade, Holland. Field Day is not only a day of fun, but also a learning experience for all involved.

The torch-bearers were Kim Carpenter and David Pyle who were selected by their classmates to carry out this honored tradition.

# Memories — Here's to You the

n May 28, 1982, we students had the honor to share in the finale of twelve years work: The graduation of the class of 1982. This graduation was the first formal occasion to be held in our gym.

Speeches were given by the valedictorian Joseph Higgins and the salutatorian Kimberly Carpenter. Kim sang the song "The Way We Were" as a parting gift to her classmates.

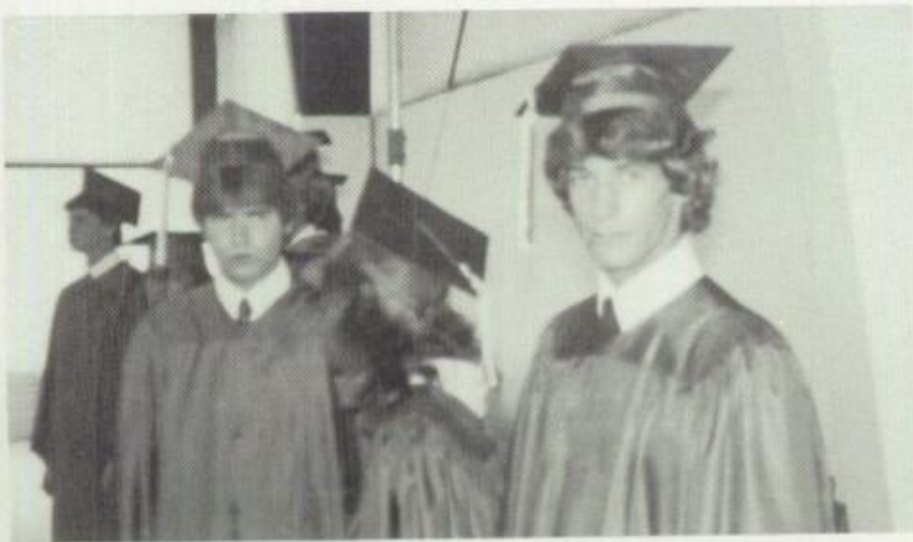

The seniors invited Bob Morris, a columnist from the Ft. Myers New Press to give the commencement address. He gave an interesting speech that was later published in his column.

Following tradition, each senior gave their mother a single red rose. Representatives of primary and intermediate gave the seniors their parting gifts.

After the seniors received their greatly deserved diplomas, there was a reception held for them on the patio. High school students were invited to the reception to congratulate their friends.

So here's to you the class of '82: Alexander Beebe, Jean Burkhead, Kimberly Carpenter, Scott Chappell, Kellie Collins, Joseph Higgins, Bart Iaia, Thomas Lemmons, and David Pyle.

# A Canterbury Favorite

rs. Pat Zimmerman, is one of Canterbury's most loved teachers. She was born and raised in Cincinnati, Ohio. She started her education at Miami University of Ohio. After raising two children, she continued her education at Edison Community College and then received her degree from the University of South Florida.

She spends her off-duty hours training and showing quarter horses. She owns a ten acre ranch south of Ft. Myers, where she trains her quarter horses for local dressage competition, exhibition riding, or horsemanship in which the horse is controlled and trained in difficult specific steps. She has won many ribbons and trophies.

No matter how busy she may be, she always finds time for every student. This year Mrs. Zimmerman is teaching third grade and the children truly love her.

his year's soccer cheerleading squad was a very interesting experience. We had the largest squad Canterbury has ever had for any sport! Fourteen cheerleaders. There was a wide age variance, with girls from seventh through twelfth grade. The cheerleaders helped with many events, such as sponsoring a dance, working the concession stand on Saturday at the little league soccer games to earn money for the gym floor and manning two booths at a fair at the University of South Florida, Ft. Myers campus. Much experience was gained from these events.

Everyone put a lot of work into the squad, especially Mrs. Gizzi, who had undying patience with us and was always there when needed. A special 'Thanks' to you, Mrs. Gizzi. Because of this experience, future squads will certainly be more proficient.

# Varsity Soccer: 8th in

he 1982-83 Canterbury Soccer Team started out in a disconcerted fashion, but ended up as one of the most organized and spirited teams in our district. In the beginning, the outlook for the season was very dismal. The team did not seem to be together in their goals and they weren't winning any games. Finally, the Seniors, with the combined strength of Juniors, Sophomores and one eighth grader pulled together. The team became one machine, everybody striving to put the team into the districts and then the finals. The first game of the finals was against Ft. Myers Christian, who previously defeated us. The Cougars pulled past the Eagles in a shoot-out confrontation which placed them against St. Stephens for the second game. Spirit was running high as the team beat St. Stephens and went into the district finals. The final game was played against Bradenton Christian. Almost the whole Upper and Middle School traveled to Bradenton to watch and cheer the team on. The game was truly one of the most exciting in Canterbury's soccer history. The two teams battled it out through the regular playing time and then went into overtime. After all playing time was used, the teams went into a shoot-out. The Cougar team lost by only one penalty kick. The season closed at 7-6-1. The team will be losing their Seniors, but with the returning lettermen, who are Terry Kelly, Myoe Than, Charlie Dudley, Mike Smith, Monroe Smith, Billy Carter, Lucian Beebe and Martin West, the team should come back strong and together for a good season. Good luck.

when the Junior Varsity Soccer Team started out in August, it was the youngest team in Canterbury's history. Sixth graders made up the main body of the team, with a few seventh graders and only three eighth graders. In the first two games, the team was defeated by Good Shepherd and St. Michaels. Finally, the team won a tough game against St. Francis 1-0. The first and only goal of the game came in the middle of the first half, scored by sixth grader, Luke Belcastro. The Cougars won against Ft. Myers Christian, with a score of 6-1, bringing the soccer record up to 2-2. The fifth game was lost to Evangelical Christian 5-1. But more than a game was lost that day. Brad Taylor suffered a broken hand in P.E. Fortunately for the Cougars, David Harmon was able to step in for Brad and he did a super job. A good passing game was displayed, but the sixth game was given to St. Michaels 3-1. The next two games were victories for the Cougars, defeating Ft. Myers Christian 4-0 and St. Francis 2-1. Revenge was sweet in game number nine against Good Shepherd. They suffered a humiliating 4-0 defeat at the hands, or should we say feet, of the Cougars on a three goal performance by Luke Belcastro. The fourth goal was scored by Robert Pascotto. The tenth and final game ended in a tie, 2-2 against Evangelical Christian. The team's record of 5-4-1 is truly a triumphant figure if you consider the youth and inexperience of the team.

The team would like to extend their thanks to Coach Peters for all his time and patience. Because of the confidence and positive attitude you projected, the team was able to pull through.

# Varsity Volleyball

he Canterbury Cougar Volleyball team was very successful this season. They were undefeated after playing nine of their eighteen games. This could not have been accomplished without fine

coaching and great spirit. The team was fortunate to have three experienced seniors on their side. There is a great deal of potential in the younger girls which will be realized in the years to come.

The parents and friends of the Cougars were very supportive throughout the season, with large turnouts at the home games.

Miss Clausen did a fabulous job in coaching the team, imparting her knowledge and skill from the very first day.

# A Winning Season

# J.V. Volleyball

he 1982 Junior Varsity Volleyball team was made up of sixth, seventh and eighth grade girls, who exhibited winning effort and skill in both practices and games. Several aspiring young talents were discovered during the season, since only two of last year's players returned to take the court.

Hopefully, the experience acquired along with the fine coaching received from Miss Clausen and Miss Walker will create a successful varsity team in future years.

ur Varsity Cheerleading Squad increased by one this year. The girls enjoyed working together, and cheering in their new home gym. Having their own gym has been a great inspiration to the team, and the cheerleaders. The girls have learned to work together as one squad. Their captain, Amy Harris has been appreciated by the squad, and they have enjoyed working with her. The squad put on many activities which include pep rallies, Homecoming, bake sales, and many other activities throughout the year. The Varsity Cheerleaders would like to especially thank Mrs. Gizzi. Without her help, none of our accomplishments would have been possible.

# Varsity Boys

In 1982-83, Canterbury's Varsity Basketball team began inauspiciously. In the first game, before a shot was even taken, center Chuck Hamilton suffered a serious injury. He was lost for the season. Although this was a terrible disappointment, the Cougars fought back and tied the game with seconds left, but fell short, and lost at the buzzer. Chuck's absence was clearly noticable as the Cougars also lost the next three games. Even though the team had no returning starters, except for Kevin Johnson and Chuck Hamilton, they gained a great deal of experience and confidence.

The Cougars had a tough act to follow from the previous year's team as they set many school records such as 15 wins in a season. Without the experience, it was very difficult to follow the previous year's team performance. But from determination and hustle, the team was productive.

# J.V. Cheerleaders

ur Junior Varsity's Basketball Cheerleading squad of 1982-1983 was very proud to cheer for their team. They learned their cheers and executed them well at the games. They tried to show the true meaning of school spirit. By doing this, they truly learned what school spirit is about. Besides their pep rallies, bake sales, and selling mini-cougars, they showed cooperation and, of course, enthusiasm. The Junior Varsity Cheerleaders would like to thank their advisor, Mrs. Gizzi, for all of her help and support throughout the basketball season.

# Say 'Hello'!

# Determination

anterbury's 1982-83 Boy's Junior Varsity Basketball team was made up of four eighth graders and three freshman. As usual, it was a learning experience for all. Their determination and desire to win made up for what they lacked in talent.

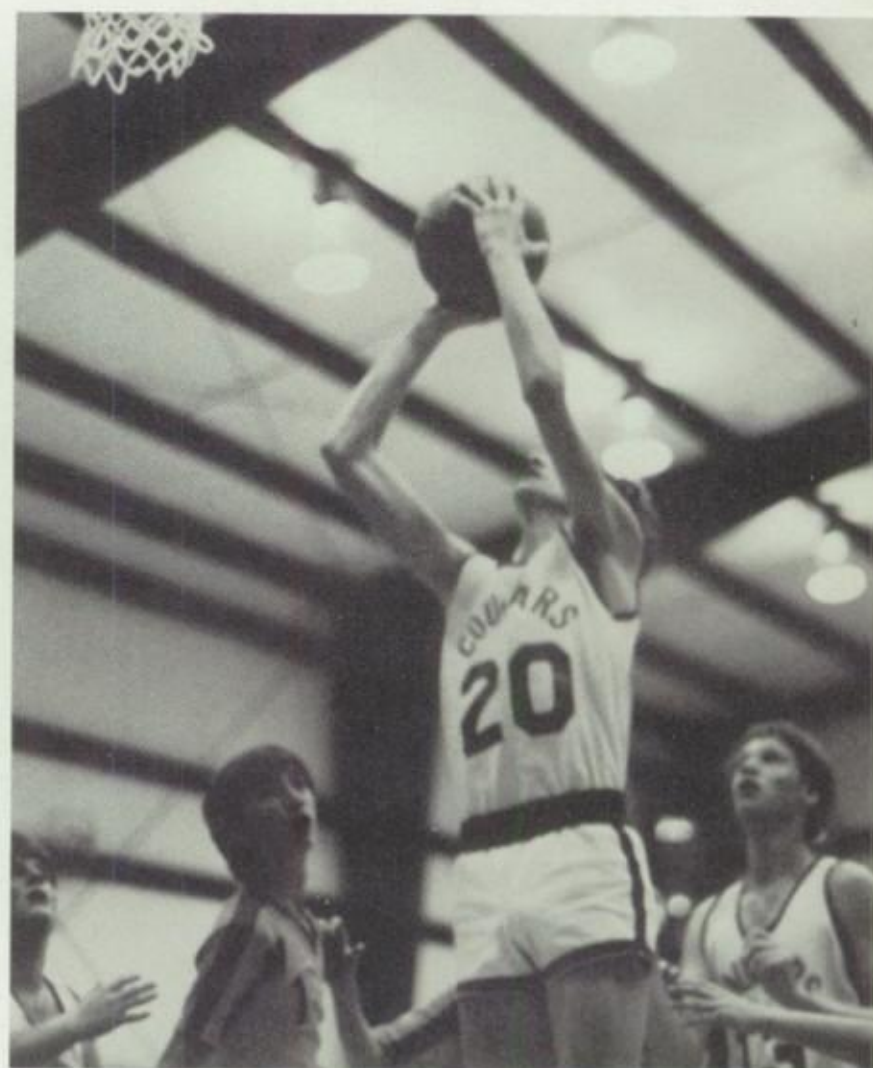

It was a bumpy season win/lose wise, with streaks of both excellent and sub-par basketball. Many times both happened in the same game, so usually who started off on top didn't finish there. At the end of the season all were surprised when they finished with a won/lost record near .500, including multiple victories over arch-rival ECS. All victories were team victories and no one player was more important than the others. To summarize, the team was sometimes out-classed but seldom out-hustled.

# on Height But Long on Spirit

Major changes occurred as the girl's team faced this season; the first being — we practiced "inside" our new gym and the second — we had two new coaches.

Reed and Van Liming were our coaches for the '82-'83 season. It was a first for the team and our new coaches.

The team consisted of three seniors, one sophomore, one freshman, and four eighth graders. We were evenly matched with all the teams we played this year. The starting five players were backed by an excellent bench. The experience gained by our bench will result in a great '83-'84 team.

The team would like to thank Reed and Van Liming for coaching us and Vonnie Liming for keeping score at all of our games.

Suzy Corace.

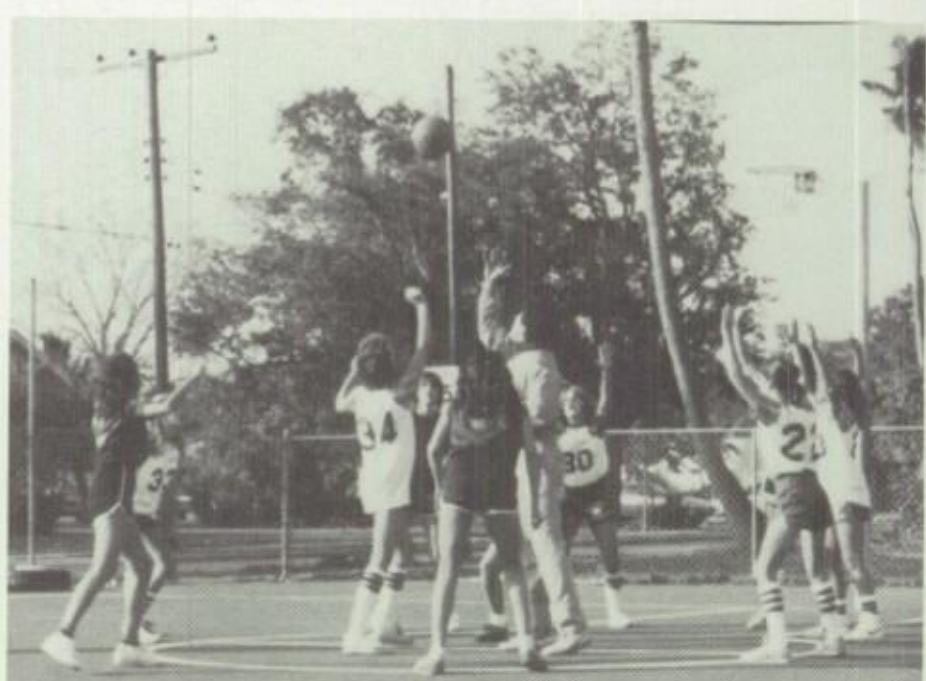

ur Junior Varsity Girl's basketball team was made up of about twenty sixth, seventh and eighth grade girls. Due to the fact that

Miss Clausen was not coaching varsity basketball, she was able to devote her full attention to the team. Skills learned in P.E. were reviewed and strengthened in practice.

Junior Varsity Basketball has been a fun as well as a learning experience. We think that with Miss Clausen's coaching expertise, and the turn of girl's, that we will meet with success.

omecoming 1983, was a week to remember. This year's Homecoming saw many interesting things from new wavers to the Great White North. Concluding the week was Spirit Day, where for the second year in a row, Mrs. Hatcher was presented the 'Most Spirited Teacher' award. Saturday, at the game against La Progressiva, the 1983 Homecoming Court was announced: Freshman Princess Wendy Leonard escorted by Mahlon Thompson, Sophomore Princess Dawn Toy was escorted by Dan Biersdorf and Junior Princess Amy Harris was escorted by Scott Goode. Queen Simone Schramm was crowned by past Queen Kim Carpenter, and the King was Greg Kelly. To top it off, the boys were victorious over La Progressiva. That night the Homecoming Dance was held at the Spanish Main, where Mr. Sneddon so graciously provided us with the entertainment for the evening. The room was beautifully decorated with balloons as the theme. The whole evening was truly a night for royalty. A special thanks goes to Mrs. Gizzi and the cheerleaders, for without their dedication, hard work and willingness to make this the best Homecoming ever, none of this would have been possible.

Canterbury's Music Department presented many programs this holiday season. The Senior Kindergarten Chorus performed at the Bell Tower and Royal Palm Square Malls and the Upper and Middle School Chorus performed at the Edison and Bell Tower Malls. All Canterbury music students presented "'Tis the Season," this year's winter concert in our gymnasium. Mrs. Dunavan has high expectations for the music program at Canterbury and anticipates expansion with the possibility of an instrumental music department in the near future.

# Service Club

nder the direction of Mr. Taylor, the first Service Club of Canterbury was formed. Throughout the year, the Service Club performed numerous tasks for the school and for the faculty, helping in any possible way. Some of these tasks were: Cleaning the school buses, watering the plants, picking litter up around the school, parking cars during certain school activities, helping Mr. Peters clean the gym, repairing broken furniture around the school and helping different teachers in certain ways.

The Service Club met every Wednesday and Friday, but were willing to put in any overtime that was necessary. The members of the Service Club were few but good workers.

Canterbury's Forensic Team increased to twenty-two active members in 1982-1983. Our members

won awards in Miami, Naples, Fort Myers and Tampa. By June, we will have thirteen members holding NFL degrees. They are: Degree of Distinction — Co-Captain Skip Glass and Co-Captain Paul Peters; Degree of Excellence — Elizabeth Ambrose, Lucian Beebe, William Craig and John Edwards; Degree of Honor — Kevin Johnson, Monroe Smith, Terry Kelly, Myoe Than, Stephen Hewitt, Joe St. Cyr and Greg Kelly.

All National Degree holders above will letter in Forensics along with our younger members of the team who have reached 75 points: Charles Dudley, Charlotte Veaux and Ina Beebe. Congratulations go to the other Junior Members who just started this year and have been doing a fine job: Bill Carter, Ian Tilley, Candy Nicola, Georgina West, Chris Dudley and Melanie Stone.

# Curtain Calls

In 1982-83, the Drama Club has had another exciting and fun-filled year! "The Shenanigans of Shel Silverstein," an original retelling and dramatization of some of the poet's best loved works, was our first production, with students in grades 1-9 filling its cast and crew.

The arrival of the holiday season brought yet another new show starring the students in the middle and upper grades. "Santa and the Efficiency Expert" delighted the young as well as the young-at-heart by performing both at home and at three area nursing homes. We also entertained the Ladies Golf Association of Cypress Lake Golf and Country Club and were paid with hats (!) for our time and talent.

The culminating event of the year was the production of "Bad News," a rousing musical presented jointly by the Drama and Music Departments; full of peppy songs and sporty music (not to mention romantic moments!!)

Thanks to all for making the year such a success!

representing Canterbury this year in the newly-organized Lee County Independent Soccer League were two teams. Both the Under Eight and the Under Ten Canterbury teams made impressive showings with the Under Ten team members taking home the second place trophies.

A "Merit Award Program" offered the children an opportunity to earn bronze, silver and gold merit patches for individual soccer skills. Many of the Under Eight's and all of the Under Ten's earned patches in the bronze skill level. George Pooley, Clay Schouest, Richie Perdue and Jeff Roach qualified for some awards on the silver level. Sean Gluhm qualified for some awards on the gold level and Grayson Gwaltney was one of only three children in the entire league to earn all the merit awards on the bronze, silver and gold skill levels. The individual skills and team participation that were developed in both teams as the season progressed promises to lead to a great future for the Canterbury soccer program.

# "Oscar Night"

xtravaganza '82 was the highlight of the year for parents, faculty and even the community. It was the first annual gala evening which included a dinner, cocktails and an auction. The auction helps the school and brings everyone who works on it closer.
